## Raises a Question

Paul Mistretta (LM#111)

While the appeal of the last two items is obvious – the explanation of the third-last is not . “ReUse Prevention/Douglas Patent-Perf 12 w/8 Hole Punch-Gray Blue VF, OG” is a description of an item with which I am unfamiliar. Below is a picture of the item with a (photoshop derived) illustration of the pattern described.

So, what is this pattern in Scott #US 206 with which I am unfamiliar? I have checked the US catalog and (unless I am more tired than I realize) don't find any reference to this item, which should (I think) appear
